

Get on board with Network Rail

IT'S an exciting time to consider a career with Network Rail which this summer opens the doors to its new national centre – The Quadrant:MK – in the heart of Milton Keynes.

For the very first time Network Rail is bringing its central teams together under one roof, with more than 3,000 staff based at this landmark building.

Many will be existing employees who have relocated to Milton Keynes from offices around the country, but the centre will offer more than 800 vacancies to new candidates, at all levels, in areas including engineering, human resources, IT, planning, finance and procurement.

Whatever your field of expertise, at Network Rail, you'll have the chance to develop a long, rewarding career.

There are many different career paths – and many opportunities to fulfil your potential.

After all, Network Rail believes that investing in people through training and development is one of the most effective ways of improving the safety, reliability and efficiency of the railways.

Potential employees can expect competitive pay, a bonus scheme and a choice of contributory pension schemes. The company also offers a generous annual leave package, plus up to 75 per cent discount on rail season tickets.

For more information visit the Milton Keynes Citizen Careers and Training Exhibition

at stadium:mk on Friday, February 24 and Saturday, February 25. It's a great chance to find out more about the opportunities available and to meet members of the recruiting teams.

The Quadrant:MK is at the forefront of new office developments in the country, with a winning combination of cutting-edge design and the latest environmentally-friendly features. Four main office buildings will surround a vibrant central street lined with coffee shops, cafes and breakout areas, providing places to work, meet and eat.

The entire building has been designed to encourage flexible working and will be a great place to learn and develop. It's set to be one of Milton Keynes's most desirable places to work.

> Opportunities at The Quadrant:MK are now available. To learn more about these roles or to make an application, please visit www.networkrail.co.uk/miltonkeynes
